Company Overview

As a trusted long-term partner, ENAG Consulting is committed to delivering tangible, measurable results that drive meaningful transformation across our clients' organizations.

Founded in 2015, ENAG Consulting, Inc. is a Liberian-owned and managed professional services firm specializing in Tax Advisory, Accounting, Auditing, Fiscal Compliance Support, and Business Consultancy.

Headquartered in Monrovia, ENAG has built a solid reputation for delivering results-oriented and regulatory-compliant solutions to over 100 public and private sector clients across Liberia.

With a deep understanding of Liberia's financial and regulatory landscape.

ENAG has become a trusted partner to institutions across a wide range of industries, offering tailored, ethical, and technically sound services that align with both local laws and international best practices.

Vision, Mission & Core Values

VISION

To be Liberia's most trusted and respected consulting firm in the fields of tax, accounting and audit advisory, empowering businesses to thrive through excellence.

MISSION

To provide high-quality, timely, and compliant professional services that enable clients to operate efficiently, meet regulatory requirements, and grow sustainably.

CORE VALUES

- Integrity: We uphold transparency and ethics in everything we do.
- Innovation: We leverage modern tools and thinking to solve today's business challenges.
- Teamwork: We collaborate internally and externally to deliver holistic value.
- Accountability: We take ownership of our work and its outcomes.
- Client-Centered Approach: We prioritize our clients' goals and satisfaction.
- Technical Excellence: We continuously invest in knowledge and competence.
